Chris  
to my room  
future room  
a partner in  
crime! - Chris. It  
been a great year  
I'm glad you've been  
around to share the griefs  
of R.N.'s becoming R.N.'s. We'll  
make it yet. I have a strange  
feeling that this summer may be  
a VERY IMPORTANT summer for you.  
Just be sure I'm invited!!  
Stay sweet, Chris. We'll keep in  
touch over the summer.  
Happiness always.  
Love,  
Kathy

Christine M. Damer

Dear Chris, I can never think  
of anything good to write in  
your books - but I can say  
it has been nice knowing  
you and good luck in your  
career. I will be here next year  
but I hope you'll have as nice  
a year as we've had on our floor  
this year. Love, Claire (304)

Chris

Well roomie, what do I say  
to one of the beautiful people in world?  
This past 9 months has been a real  
experience (??) 99% of the time it has  
been really great. I gonna miss ya.  
I'll bet you won't miss my damn  
going off at 6:00 A.M and all my bugs.  
But when you have grandchildren you  
can tell them about your roomie and  
her bugs. Have a terrific summer  
be good but not that good.  
Love and that jazz  
Claire roomie  
Mary Beth
